I Felt Very Excited And Honored To Have Been Selected As Excellence In Service Cashier To Represent My Store, The Munster Jewel #3096, At The Cashier/Bagger Competition Held Today At The Homewood, IL Store. Billy, My Fellow Associate, Was Selected From Our Store As Excellence In Service Bagger. We Completed Together With Other Stores In Our District 6. I Competed Once Before, But That Was Years Ago. Even Though Neither One Of Us Advanced To The Top 4, The Bottom Line Was We Had So Much Fun. We Met And Made Some Great Friends There Today. It Was Also JoJo's 7th Birthday That We Celebrated. We Were Treated To A Wonderful Luncheon, And They Gave Us A Hugh Bag Filled With Awesome Jewel Goodies To Take Home. My Sweet Girls, Savannah & Cali, Were So Interested To See All That I Brought Home With Me... Lol!!

I didn't look at the ad last week so I missed the announcement of NATIONAL SUPER-MARKET EMPLOYEE APPRECIATION DAY! But...

it's never too late for compliments.

Congratulations Lorelei on your great Customer Service! Your personality & patience make you a special employee especially when dealing with all types of customers like us! We can have a laugh or two while you handle our problems. Keep up the good work. 😊

We are also seeing more of Joe who appears to be following in your footsteps with his smile and pleasant manner in working with Jewel customers.

We send our thanks and good wishes to both of you.

A great story about Jewel-Osco Driver Bill Hamilton, his heroics and compassion...

Bill was driving through a residential area in a Chicago suburb when he noticed two Amazon trucks making deliveries. Bill saw a young lady get out of the Amazon truck to make a delivery and saw an SUV clip the lady sending her airborne and landing on her head. Bill stopped the Jewel truck to make sure she was okay. Bill held onto her, comforted her, and kept her calm until the ambulance arrived minutes later but to Bill it seemed like an eternity. She attempted to get up but since Bill saw her land on her head, he offered to have her rest her head on his shoulder until help arrived. He comforted the young lady who kept asking if she was going to die and Bill held himself together and told her she was going to be fine help and that help was on the way.

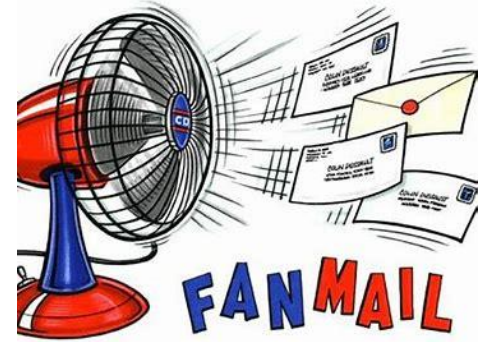

Bill was a hero on that Friday, and he has the blood-stained shirt to prove it. He was a little torn up over the event and even called the police department the next day who informed him that the victim was doing well and stayed overnight in the hospital with a concussion and some bruises.

This week Bill received a call from Evelyn, the young lady involved in the accident. Evelyn told Bill that she saw the video that Amazon had and that she had no recollection of the incident but after seeing the video she called Bill her guardian angel. Evelyn's mother also got on the phone and thanked him for saving her daughter's life. Bill was touched to say the least and very happy to now know that Evelyn is okay. He is a hero and made a huge difference last Friday.

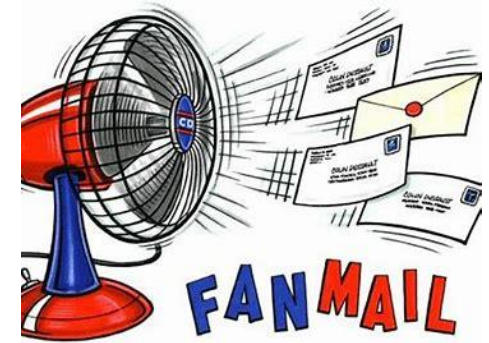

Bill has been with the company eleven years and is one of our top drivers. He won employee of the month in August 2020 and was a runner up for driver of the year in 2022. He achieved the 10-year safe driver award in September and is still accident-free to date. He has also been on our list for weekly perfect attendance nearly every week.

John-Jose

Thank-you **Store Director Marco Caputo**. My mom sometimes gets confused, and she was out of milk and bread. She called the store where she has shopped for over 30 years and spoke with Marco, telling him about the items she was out of and how she wasn't sure what to do. Shortly thereafter Marco was standing at my mom's door with the milk and bread. I called the store and spoke with Marco and even offered to come over and pay him for the products, but he declined to take the money and said he was "happy to help." I've never had this type of superb customer experience and I'm especially appreciative of Marco.

The Jewel-Osco **We Care** fund was launched to provide an easier and quicker way to voluntarily help your fellow associates who are experiencing a personal emergency, namely a death in the family, natural disaster, or medical emergency. These types of situations remind us of how quickly our lives can change, and without the necessary financial resources in place the burden can be emotionally overwhelming.

Since the inception of **We Care** at Jewel-Osco, you have helped fellow associates facing a hardship because of your voluntary, tax-deductible contributions. To put it another way, you have lifted the emotional weight from associates that were facing a short-term crisis and you made a difference in their lives.

With that support I'm asking all associates to please consider voluntarily giving to the Jewel-Osco **We Care** fund. It's a weekly contribution that comes directly from your paycheck and giving even \$1 a week can make a significant difference.

If you're interested in setting up a contribution head to **myACI** under the **My HR** tab and click the **We Care** tile to easily begin the weekly contribution process.

Review, add or update your voluntary deductions information.
