Midge Berg has dedicated an incredible 45 years to Jewel-Osco, all in the Deli Department, where she found not only a job but a second family. **"I love working with people and I've made really good friends"**

Beginning in 1964 at **#4228 Westchester** Midge quickly became a fixture **"It was a big deal for the community, and I loved being a part of it."**

Since then, her passion and loyalty have not wavered even after suffering a heart attack. **"My doctor said I was so strong and agile from working in the deli, this job literally saved my life."**

Midge recently turned 90 years young and her colleagues at the store treated her to gratitude, celebration, and love!

Happy Birthday Midge and thank you for 45 years of heart and loyalty to Jewel-Osco.

To Whom It May Concern;

Just dropping a note regarding one of your employees. I shop at the Jewel-Osco on 95th Roberts Road in Hickory Hills, IL. I've shopped there for decades and I enjoy shopping there. One of your employees, Evelyn Proctor, makes it an even more enjoyable experience. She works in the meat and fish department. I buy fish every week, and she always has a smile and brightens my day. She carefully picks out a nice piece of fish for me, all the time asking me how I am and how my day is going. It's so rare to see such a pleasant happy thoughtful person! I wish there were more like her in this world! Just wanted to recognize her in writing. Thanks for reading my note.

To the store manager of Wheaton Canada and the
Guel Corporation:

Cale Clay,

I am writing to you today about an employee of
the store. I met her three years ago when I
moved to Wheaton.

Her dedication and outgoingness to your team
is something you don't see much of today.

She has always been a friendly face but, more
than that she has gone above and beyond.

I have observed her going the extra mile
when dealing with customers, including myself.
Her problem solving skills are bar none. She
always gives the extra effort.

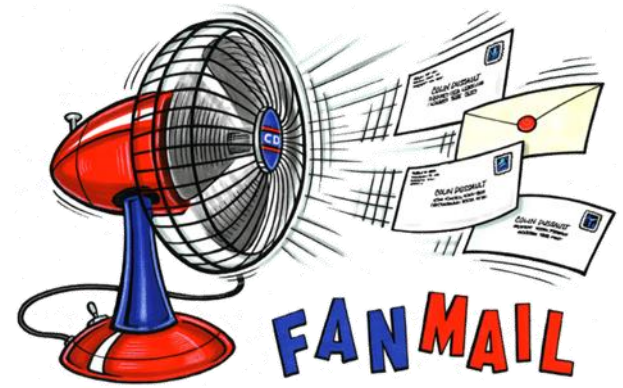

I am one of the customers of many she knows
on a first name basis.

At times she has been more helpful than
the front end people and others working in
various areas of the store.

Hesley Dizz is a true asset to the Guel
Corporation and to the Wheaton Canada store.

Her work ethics and her outgoing personality
are just two of her values.

She makes a lasting impact on yours and

the Guel's workplace culture, which in
return the customers notice.

There are numerous grocery stores in the area
in which to shop because, of Hesley, I return
over and over again to shop your store.

Whether she's out in the garden hoop house
or inside the store, her attention to detail
and commitment to excellence shine brightly.
Hesley's outstanding dedication to customers
and to other employees should not go or be
overlooked by the Guel Corporation.

She truly is a valuable person and an asset
to your store. I hope she gets the recognition
and appreciation for all her hard work.

It hasn't gone unnoticed by a customer.

Thank you for your time.

ATTN: Mr. Rob Nudo
Store Director

Dear Rob:

You may recall that last year our church ordered from your delicatessen staff on three summer occasions for our Friendship Hour activity after our Sunday worship. Based on the fine food quality and cordial and timely service received then, we recently ordered an 18 inch salad tray, 16 inch croissant sandwich tray and an Italian Super Sub for our first church event this summer.

Once again, it was my pleasure to co-ordinate this order with Ms. Julie Small. Afterwards, Julie informed me that Christine Woltmann and Elise Dutow thoughtfully labored with her to prepare the delicious food enjoyed by some 30-40 adults and children. I also must mention that Elise called me the day before -- as they were preparing the salads -- to suggest adding egg salad to the middle of the tray. As she spoke, it became obvious she wanted to enhance not only the quality but also the presentation beauty of the order. And I was touched by her thoughtful caring!

My wife Gwen joins me in sending our heartfelt thanks. She knows and appreciates others on your staff who quietly go about their detailed work to keep your store well stocked and appealing. We are grateful customers and thank you all!!!

The Jewel-Osco **We Care** fund was launched to provide an easier and quicker way to voluntarily help your fellow associates who are experiencing a personal emergency, namely a death in the family, natural disaster, or medical emergency. These types of situations remind us of how quickly our lives can change, and without the necessary financial resources in place the burden can be emotionally overwhelming.

Since the inception of **We Care** at Jewel-Osco, you have helped fellow associates facing a hardship because of your voluntary, tax-deductible contributions. To put it another way, you have lifted the emotional weight from associates that were facing a short-term crisis and you made a difference in their lives.

With that support I'm asking all associates to please consider voluntarily giving to the Jewel-Osco **We Care** fund. It's a weekly contribution that comes directly from your paycheck and giving even \$1 a week can make a significant difference.

If you're interested in setting up a contribution head to **myACI** under the **My HR** tab and click the **We Care** tile to easily begin the weekly contribution process.

Review, add or update your voluntary deductions information.
